DESCRIPTION OF WORK _____

Minnesota State Building Code 1300.0210 subp. 4. states; the person doing the work authorized by a permit shall notify the building official that the work is ready for inspection. Minnesota State Building Code 1300.0120 Subp. 11. Expiration. Every permit issued shall become invalid unless the work authorized by the permit is commenced within 180 days after issuance, or if the work authorized by the permit is suspended or abandoned for a period of 180 days after the time the work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
